About the Grant

The North Portland Trust Fund (NPTF) Kenton Placemaking Grant is supported by mitigation funds generated from Portland International Raceway (PIR) events that require a City of Portland noise variance permit. IndyCar's return to PIR in 2018 brought the first major funding contribution from a noise variance event in over a decade and reactivated the NPTF as a grant program.

With \$12,000 set to be distributed in 2020, projects under the Kenton Placemaking Grant will increase connections people have to each other and the places they care about; engage historically marginalized and/or underrepresented communities; and sustain those already involved and/or strengthen existing programs.

In 2019, the Kenton Placemaking Grant awarded \$10,000 to support projects like creating a street painting project focusing on food and health and building a new sign and bench at the Kenton Rose Garden.

Interested in joining the Grant Selection Committee?

The Kenton Neighborhood Association (KNA) is seeking five to nine individuals to commit to roughly a 45-day period to review and select projects that meet the criteria of the Kenton Placemaking Grant application.

As a grant selection committee member, you'll be able to provide neighborhood and community organizations with the opportunity to improve the quality of life for residents of Kenton. This is a wonderful opportunity to gain knowledge and experience related to the grant writing and the review process, learn what makes a fundable grant and support grassroots projects in your neighborhood.

The KNA hopes to create a diverse committee whose members come with a wide range of experiences and backgrounds. Please note that individuals that are directly affiliated with a current grant application are not eligible to serve on the selection committee.

- Live or work in Kenton (map at historickenton.com/grant)
- Commit to serve approximately duration of July 17th - September 1st and attend two to three meetings
- Review/rank applications and provide additional feedback to the KNA Board and Grant Manager for distributing funds
- Ability to work independently and work collaboratively with a diverse committee
