RE: Grand Prix of Portland - IndyCar Test Day, July 30

Dear Neighborhood Association:

The 115 dba sound variance issued by the City of Portland grants the teams participating in the upcoming Grand Prix of Portland, two test days prior to the race. Friday, July 30, 2021 will be used as one of these test days.

It is anticipated that approximately eight (8) cars will participate. The time period allowed by the variance is 9:00 a.m. to 5:00 p.m.

If you have any questions regarding this test day, please contact Ron Huegli, the Manager of Portland International Raceway at 503-823-5899. Also, information is available at http://portlandraceway.com/?/about/noise_information.

Very truly yours,

Michael Morrissey
